

Diversity Data Report: 2017

All firms regulated by the Solicitors Regulation Authority (SRA) are required to publish a summary of their workforce diversity data. All individuals who work at Darlingtons Solicitors LLP have been encouraged to take part in our annual survey, but are under no legal obligation to do so.

To comply with the Data Protection rules, we have summarised the data obtained in such a way as to ensure no individual can be identified. A summary of the data provided by those who responded to our survey can be found below:
